# EDUCATIONAL CONFERENCES & SEMINARS CANNOT HAPPEN WITHOUT VOLUNTEERS TO PLAN AND HOST THEM

*Don't let these events FADE AWAY.. GET INVOLVED!*

**NO EXPERIENCE NECESSARY!**

The ISRT depends on its membership to plan and host the Annual Conference and One Day Seminars held throughout the year for the purpose of completing business and providing continuing education credits to its members. Without volunteers to organize and plan these events they would not happen.

All committee members automatically receive complimentary registration to the meeting! To show their appreciation for volunteering to Chair these events, the ISRT pays a **commission** as well as 10% of the profit which is over and above the budgeted profit amount set by the ISRT Financial committee from the conference or seminar to the hosting individuals. The **standard commission** amounts are:

**Annual Conference \$300**

**One Day Seminar \$100**

Guideline Manuals and mentors are available to help you through the planning process. Please consider planning a future event,  
*the ISRT needs members like YOU to keep from FADING AWAY.*

If you are interested in learning more about being a conference or seminar host please email the ISRT Board of Directors at [IMAGING@ISORT.ORG](mailto:IMAGING@ISORT.ORG)

**- Our Members Are Valued -**

*You can make a difference, we are all IN this together!*
