2015-2016 ISRT Officers

Pictured Left to Right

Heidi Sebastian Immediate Past President, Steve Cohen President, Amanda Spangler President Elect, Joy Cook Senior Board Member, Dianna Sharp Treasurer, Missy Fritz Secretary, Heather Schmuck Vice President
Dear Fellow ISRT members,

I would first like to thank all of you for being members of the ISRT. I hope that you are enjoying your time this Summer.

The board is still finalizing details for our annual conference. The conference will be held on October 13th and 14th, at IU Kokomo. More details will follow on the ISRT website and our FB page. Stay tuned!

I recently returned from attending the ASRT House of Delegates conference in Las Vegas. (Next year it will be in sunny Orlando, Florida) It was a very informative 3 days. If you ever get the chance to go, I highly recommend it.

At the conference, Indiana was well represented in the Student Leadership Development Program with Stephanie Robles and Katelyn Diller.

Even though we have licensing in the State of Indiana for our profession, you never know what might happen down the road. The ISRT is continually monitoring any attempted changes to our licensure. This is just another reason why all technologists should consider being a member of the ISRT. Become involved with the society.

Our membership numbers have declined considerably over the last several years. At this time, we have a total of 149 members. 83 Active/Limited/Supporting, 1 Retired, and 65 students. A far cry from 2005 when we had almost 1,000 members. I welcome any ideas members may have on what would help the ISRT attract new members, and retain members that are currently part of the society.

What could the ISRT improve or implement to become considered a quality choice for membership? What do you believe the ISRT does or could potentially do for you? I would like to hear from you. Please let me know what is on your mind. Email me at s.cohen1@comcast.net I am deeply concerned about the future of the ISRT.

The ISRT is dedicated to not only the technologists in Indiana, but also the STUDENTS. They are the future of our profession.

I would like to thank the Board of Directors, for all of the work they have done over the last several months. They are all dedicated and work hard for this organization.

Become involved with the ISRT. Run for an office, chair a committee, or be a committee member. There is strength in numbers. With your help, we can continue the work of the ISRT. Join us!

Enjoy the rest of the summer, and I look forward to seeing you at the Annual Conference in October.

Respectfully,

Steve Cohen, RT(R)
President
Indiana Society of Radiologic Technologists, Inc.
The Indiana Society of Radiologic Technologists has developed our own website and we would like you, or someone you know, to consider a donation to sponsor a link between our website and your organization. Website links will help fund scholarships, our member journal, student recruitment into the radiologic sciences and the educational activities of our membership. Sponsor information will be a single line hyperlink unless the sponsor provides an electronically formatted logo for display.

- The link will be directed to the designated sponsor’s home page.
- Cost of a link is $240 per year, prorated monthly, January through December.
- Registration form and further information may be downloaded from the ISRT website.
The 2016 Henry Konecny, RT(R) Student Scholarships were awarded to three deserving radiography students earlier this year. The purpose of the scholarships is to provide a cash award to assist in the educational expenses of entry-level radiologic science students. Students applying for the scholarship were required to submit an application and statement of why they believed they should receive the award. A committee of ISRT members reviewed the applicant statements and judged them on content (format, spelling, grammar, cohesion of thought, and rationale of receiving the scholarship). Additionally, GPA and professional contribution and participation were also considered.

Scholarship recipients were:

**Kris Murphy 1st Place** (Indiana University Kokomo)
**Katelyn Diller 2nd Place** (Ball State University)
**Korbin Myers 3rd Place** (Ball State University)

Congratulations Kris, Katelyn, and Korbin! The ISRT wishes you success in your future as medical imaging professionals!

*The ISRT encourages all members to apply for the 2017 scholarships.*

Andrew Boehm, B.S., RT (R) is a clinical assistant professor with Indiana University-Purdue University Fort Wayne and is this year’s ISRT Technologist Scholarship recipient.
Become a contributor to the ISRT’s 2016-2017 Publications

It is never too early to submit an article for publication, a noteworthy event, or other idea to the Editor for consideration. For article submissions, please submit an electronic copy of the material saved in Microsoft Word. The author's full name and address should appear on the material. Submitted articles should be clear, accurate, concise, well organized, logically presented, and of suitable depth and/or breadth as suits the topic. Articles should be grammatically correct, free of typographical errors, and should provide appropriate, up-to-date references when necessary.

Previously published articles must be submitted with written permission to reprint by the publisher and author.

Submit contributions to imaging@isort.org
On February 25, 2016 Representative Pete Olson (R-TX) introduced HR 4614, the Medicare Access to Radiology Care Act of 2016. This bill provides for Medicare recognition of R.R.As certified by ARRT and RPAs certified by CBRPA. Additional leading cosponsors of the bill are Representative Dave Reichert (R-WA), Bill Pascrell (D-NJ), and Michael Doyle (D-PA).

A radiologist assistant is an advanced level radiographer who assists, but does not replace, the radiologist in the diagnostic imaging environment. RAs must complete a rigorous academic program, a radiologist-directed clinical preceptorship, and pass an ARRT examination.

The previous RA legislative bill, HR 1148, had 3 cosponsors from Indiana, Representative Andre Carson, Susan Brooks, and Todd Young. I would encourage all Indiana RTs to email their representative and ask for them to cosponsor this bill. After you email them, make sure to follow up in a few weeks. Legislative aides are very busy people and juggle many requests so the follow up is important. Don’t know where to start? The ASRT and ARRT have resources on their websites to assist you in finding your representative, contact information for your representative, and what to say in your letter or email. I am also willing to help with these efforts, whether it’s a meeting in the district or help composing an email. I can be reached at cindyapetree@gmail.com.

Read the most recent news from the ARRT about HR 4614 and it’s most recent companion bill S.2940 here.
Did you know the ISRT has a Facebook page? Connect with those in your state or other state affiliates and communities on recent topics in the medical imaging sciences. See the latest discussions and announcements on various news that may interest you!
EDUCATIONAL CONFERENCES & SEMINARS
CAN’T HAPPEN WITHOUT VOLUNTEERS TO PLAN
AND HOST THEM

Don’t let these events FADE AWAY.

ANNUAL CONFERENCE

ONE DAY SEMINAR

The ISRT depends on its membership to plan and host the Annual Conference and One Day Seminars held throughout the year for the purpose of completing business and providing continuing education credits to its members. Without volunteers to organize and plan these events they would not happen. All committee members automatically receive complimentary registration to the meeting. To show their appreciation for volunteering to Chair these events, the ISRT pays a commission as well as 10% of the profit which is over and above the budgeted profit amount set by the ISRT Financial committee from the conference or seminar to the hosting individuals. The standard commission amounts are:

Annual Conference $300  One Day Seminar $100

Guideline Manuals and mentors are available to help you through the planning process. Please consider planning a future event.

The ISRT needs members like YOU to keep from FADING AWAY.

If you are interested in learning more about being a conference or seminar host, please contact any member of the ISRT Board of Directors. Contact information can be found on the ISRT website at www.isort.org or email imaging@isort.org.

NOTICE:

If there has been no volunteer who has stepped forward to host the annual conference by February 1st, that year will be reduced to the annual business meeting.
What is it like to work in a non-licensure state?

Living in Missouri is great! I enjoy the rural atmosphere and easy living. Small towns that are close enough to the large cities with a short drive. A nice compromise for those that do not like the ‘big cities’.

But what it is like to work in Missouri as a Radiology professional? Now that is a different story. As Missouri imaging and radiation therapy professionals continue to work on our state licensure bill, our main goal for every Missouri patient is to be assured of an educationally prepared and clinically competent individual performing their imaging studies and radiation therapy procedures. In Missouri, the person that takes your insurance information in the morning can by the afternoon be using ionizing radiation on you to take your x-rays! I know it is extremely shocking but without state licensure, that is the way many small rural clinics and physicians’ offices work.

The MoSRT is working diligently with our legislators; we need to do a better job of educating them. There are some misunderstandings about:

- legislators feel that state licensure will limit access to care in the rural communities
- they feel the price of Radiology procedures will increase with state licensure
- it is their opinion that state licensure will limit the profession
- they have questions about the required education within the bill

One of the many points that we stressed at our recent hearing for HB 2613 was the dose of radiation is totally dependent upon the operator of the equipment. It makes sense to the Radiology community but our challenge has been how to help the legislator see this as well.

Missouri will continue to work on this process. MoSRT is committed to advocating for patient safety, radiation safety, and properly trained individuals performing Radiology studies on our patients; Missouri patients who deserve the best from the Radiology community.

Improving healthcare one graduate at a time!
Hear from your Student Interns

The Indiana Society of Radiologic Technologists not only offers benefits for technologists, but for students as well. The ISRT has worked diligently to provide students with the ability to stay just as involved as the technologists. Student membership costs only $10 and students may join at any time. The ISRT offers an annual cash scholarship, the Henry Konecny, RT(R) Student Scholarship. The amount and number of recipients varies yearly, based on funds available. The application deadline for this scholarship is January 1, 2017.

An annual ISRT conference is held every fall, this year conference will be held in October at Indiana University Kokomo Campus. Students are involved throughout the event by introducing the speakers and tracking attendance so Technologists can earn their continuing education credits. This conference offers students a chance to see a different side of their chosen profession. There is also a Student Quiz Bowl held at this conference where students may form small teams and compete against other students of Indiana in an X-ray boards-based trivia game. In addition, students can participate in scientific poster and essay competitions and have the chance to win cash prizes.

Students also have the opportunity to join our society’s national organization, the American Society of Radiologic Technologists, also known as the ASRT. Students can join this professional organization for $35 and can join at any time. Every year the ASRT chooses two students from each state to attend the ASRT annual conference free of charge. Students can apply for this opportunity, the Student Leadership Development Program, on the ASRT website. At this annual conference, students will sit in on the House of Delegates meeting, as well as listen to educational lectures of various topics in the field of Radiology. One of the assets gained during this program is the chance to network with other students and professionals from across the country. The ASRT also offers numerous scholarship opportunities. Applications are due the 1st of February every year.

One way students can learn more about a professional organization is applying for an internship that is offered through the ISRT. This gives select students a chance to work closely with the board members. Interns will attend five Board of Directors meetings throughout their term which begins at the Annual Conference, and will learn what it takes to run a radiologic technologist professional organization.

As the current student interns, we are learning just how important it is for people, like the board members, to donate their time to the organization. Their efforts pay off, providing benefits for technologists and students. Spreading awareness to the new generation of incoming radiologic technologists can help secure the ISRT’s future and increase membership. As membership numbers grow, the benefits offered will too. Being a student intern has opened up our outlook of our profession. There is so much more to Radiology than just x-raying patients. So much has to happen on the legislative end that many technologist and students are unaware of. As students we are the new generation of Radiologic Imaging and as technology progresses we are the ones who will be continuing on advancing the field. One thing we do not think many students are aware of is that we still have a voice and can put in
our opinion on different laws or trends that occur in the country and in each individual state. We are the future, and one thing that being a student intern has taught us is that our voice does matter. Technologists want to know what the student’s opinion is, in addition, we can also let them know what the latest trends are. Being involved in a professional organization has helped us come together with other students at different Universities across the state as well as technologist. We can compare and discuss what different hospitals, clinics, or Universities are doing. This communication and team work broadens our knowledge and allows us to become more well-rounded students and future technologists.

We the 2016 ISRT student interns, encourage both students and technologist to consider joining the ASRT affiliate of Indiana and see what the ISRT can do for you.

IMPORTANT DETAILS YOU SHOULD KNOW

REGISTRATION

★ REGISTER EARLY - Avoid the last minute rush and late fees by registering now.

★ REGISTRATION OPTIONS ARE AVAILABLE - You can register online and pay by credit card or complete and mail the conference registration form included in this booklet and a check for the fees to the registration chairman.

★ If registration fee is being paid by an institution (employer or school), the registrant is encouraged to send a copy of the registration form to the registration chairman noting the name of the institution paying the fee.

★ DEADLINES FOR REGISTRATION - In order to assist the planning committee in the final preparation, a conference registration deadline has been established.

★ FEES - Conference fees are payable at time of registration and are based on membership status at the time of registration, registrant category, number of days attending, and additional options which are available.

★ LATE REGISTRATION FEES - A $25 LATE FEE will be accessed to all registrations made after September 25, 2016.

★ REGISTRATION ONSITE - Registration will be available at the conference. If you plan to register onsite, please arrive at least 30 minutes prior to the start of the first lecture to allow time to complete and process your registration. The registration desk will be open during the following times:

<table>
<thead>
<tr>
<th>Day</th>
<th>Date</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Thursday</td>
<td>10/13/16</td>
<td>7:00 AM-9:00 AM</td>
</tr>
<tr>

<td>1:00 PM-2:00 PM</td>
</tr>
</tbody>
</table>

IDENTIFICATION OF CONFERENCE ATTENDEES & GUESTS

PARKING - Be sure to display your parking pass with your registration information to avoid any tickets, fines, towing while on the IU campus. Parking permits will be included with your registration packet.

NAME BADGES - Each individual registered for the conference will be given a name badge. Please wear your name badge during the conference, this is your identification to others and a necessary part of the attendance verification process. Sharing of name badges is not allowed.

GUESTS - Guest badges are available for a spouse or companion who wishes to join you during some or all of the conference. Names must be provided for all guest badge requests. Registered technologists, radiologic science students or commercial representatives may NOT register as a guest.

EXHIBIT ROOM

- The Exhibit Room will be open on Thursday and Friday. View the displays competing in the Scientific Exhibit Competition as well as the information booths sponsored by the ISRT and the ASRT. Commercial representatives are always anxious to meet new contacts and explain their services so don’t forget to stop by and say hello to them as well. You won’t want to miss this exciting aspect of the conference.

- Hours for the Exhibit Room* are as follows:

<table>
<thead>
<tr>
<th>Day</th>
<th>Date</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Thursday, October 13, 2016</td>
<td>8:00 AM-6:30 PM</td>
<td></td>
</tr>
<tr>

<td>8:00 AM-4:30 PM</td>
<td></td>
</tr>
</tbody>
</table>

*Please note that not all commercial exhibitors may elect to exhibit both days.
INFORMATION TO HELP YOU PLAN

Please read the information below completely before registering for the conference.

BREAKS

- Breaks are scheduled between each speaker. Please see the program schedule for details about length of breaks and scheduled times.

MEALS

Breakfast is complimentary if you are staying at the Hampton Inn & Suites. Lunch and dinner during the conference is “on your own” there are multiple options available for dining near the conference site.

- Cougar Country Café on the IU Kokomo campus

NEARBY CASUAL DINING

- Kokomo offers many dining choices just a short drive away from IUK at Boulevard Crossing, Markland Mall, and Kokomo Plaza. Check with your hotel reception desk or an ISRT Committee member for suggestions and directions.

Last but not least...

★ The educational program is tentative. The Annual Conference Committee reserves the right to change the program as needed.

★ Please check your time zone with that of the conference facility so that you do not arrive late. Please plan enough time to locate the facility, park, register and find the meeting room.

★ Please bring a sweater or jacket for lectures as the temperature in the meeting rooms can sometimes vary.

★ We are not able to provide child care services during the educational meetings. Please do not bring children to the educational sessions.

★ If you have any special needs or require special accommodations, please let the Annual Conference Committee know how we may assist you.

LECTURE SCHEDULE

- Attendees must be seated in the lecture room prior to the scheduled start time of each lecture. Individuals arriving after a lecture’s scheduled start time will not be admitted into the lecture room.

- Individuals must be present during the entire lecture to receive credit. Leaving the lecture room prior to the end of a lecture will result in automatic loss of that lecture credit.

- Lectures must meet ASRT requirements for time to receive full credit. Each hour of lecture equates to one (1) Category A CE credit unless specified otherwise. Lectures must be a minimum of 50 minutes in length to receive one (1) CE credit. The amount of CE credit awarded will be reduced in the event a lecture does not meet the minimum ASRT requirements for time.
CONTINUING EDUCATION CREDIT

- Lectures must meet ASRT requirements for time to receive full credit. Each hour of lecture equates to one (1) Category A CE credit unless specified otherwise. Lectures must be a minimum of 50 minutes in length to receive one (1) CE credit. The amount of CE credit awarded will be reduced in the event a lecture does not meet the minimum ASRT requirements for time. ASRT Credit Determination information:

- All participants will be provided with verification of attendance for lectures attended. Verification will be emailed to you within 30 days of the close of the Annual Conference.

- 60 minutes of hands-on lab or clinical practice as part of positioning or procedure instruction. Activity must contain a lecture component.

- Hands-on, lab or clinical practice as part of applications training. (0.0)

- Practice time is calculated at half credit if the practice is individual and/or instructor led. No credit for group practice time. Hands-on credits cannot exceed the didactic/lecture credits given the activity.

- Hands-on components of applications training are not eligible for CE credit.

- Participants must be seated in the lecture room prior to the scheduled start time of each lecture. Individuals arriving after the scheduled start time of a lecture will not be admitted into the lecture room.

- Individuals must be present during the ENTIRE LECTURE to receive credit. Leaving the lecture room prior to the end of a lecture will result in automatic loss of that lecture credit.

- Individuals are encouraged to keep a copy of the program booklet with the course descriptions if further course content is needed for attendance verification at a later date.

- It is the responsibility of individual conference attendee to submit documentation of attendance and continuing education credits earned to the ASRT or any other agency requiring proof of continuing education.

- Individual participants are responsible for submitting attendance verification, speaker credentials, and any other required information to state agencies requiring them to do so.

Courses have been submitted for and are pending approval by the ASRT for Category A or A+, continuing education credit. The Annual Conference Committee reserves the right to change the program schedule as needed.

ADVANCE REGISTRATION INFORMATION

The ISRT has **TWO WAYS TO REGISTER** for the Annual Conference.

### REGISTRATION BY MAIL
- Complete the conference registration form in this booklet.
- Mail your completed form, a copy of your ISRT card, and check or money order (no cash please) to the address below. To receive the published conference rates, registration and payment must be made in advance.
- Mailed registration forms and fees must be postmarked on or before September 25, 2016 to qualify for the rates published in this booklet.
- **Mailed registrations received with a postmark after September 25, 2016 must include an additional $25.00 late registration fee, if not they cannot be processed.**

### ONLINE REGISTRATION
- Log on to: [www.ISORT.org](http://www.ISORT.org)
- Complete the online conference registration form
- Make your payment securely through PayPal. To receive the published conference rates, registration and payment must be made in advance.
- Online registration and payment must take place on or before September 25, 2016 to qualify for the rates published in this booklet.
- **Online registration after 9/25/2016 will include a $25 late fee**
- **Online registration will end at 11:59PM on October 2, 2016.**

**THIRD PARTY PAYMENT** - If registration fee is being paid by an institution (employer or school), the registrant is encouraged to send a copy of the registration form to the registration chairman noting the name of the institution paying the fee.

**LATE REGISTRATION FEE** - All registrations and payments made on and after September 25, 2016 must include an additional $25.00 late registration fee. Please do not mail registrations after September 25, 2016 plan to arrive early and register the day of the conference or register ONLINE before October 2, 2016.

**ONSITE REGISTRATION** - If you miss the September 25, 2016 mail and online registration deadline you can still attend the conference. Onsite registration will be available throughout the conference. An additional $25 late registration fee will be added to all onsite registration fees.

**REDUCED RATES FOR SOCIETY MEMBERS** - Members of the Indiana Society of Radiologic Technologists and other state affiliates of the ASRT (ISSRT, OSRT, MSRT, KSRT, etc.) receive lower registration rates than nonmembers.

- You must be a paid 2016 state affiliate member (ISRT, ISSRT, OSRT, MSRT, KSRT, etc.) to receive the member rates. This does **not** include membership with the ASRT or specialty modality Societies such as SDMS or SNM.

- You can take advantage of member registration rates by joining the ISRT. Join online at www.isort.org or by mailing a membership application with required documentation and a check or money order to the Executive Secretary.
  - Individuals who join the ISRT online may also register online for the conference the same day.
  - Mailed membership applications must have a postmark date before or the same as conference registration form to qualify for member rates.
CONFIRMATION of REGISTRATION - Confirmation of advance registration will be sent via email. If you do not provide an email address you will be responsible for contacting the Registration Chairman Jane Patton at (812)881-9064 to confirm your registration has been received.

PAYMENT RECEIPT - Your payment receipt will be at the conference check-in table with your name badge and other conference materials.

REFUND POLICY - Requests for refunds must be submitted in writing to the Registration Chairman with a postmark no later than September 30, 2016. Eighty-five percent (85%) of the registration fee will be refunded. NO REFUNDS WILL BE MADE AFTER September 25, 2016.

GUESTS - Guest badges are available for a spouse or companion who wishes to join you during some or all of the conference. A registered technologist, radiologic science student or a commercial representative may NOT register as a guest. Names must be provided for all guest badge requests.
HOTEL INFORMATION

Hampton Inn & Suites

Kokomo

2920 South Reed Road

Kokomo, IN 46902

765-455-2900

- The hotel strongly urges guests make reservations well in advance. Reservations are subject to availability.
- Phone reservations may be made by calling the Hampton Inn & Suites directly at: 765-455-2900 or through the ISRT website, isort.org.
- When calling in your reservation, please be prepared to provide the following information:
  - Name and address
  - Number and type of rooms requested
  - Any special needs or requests such as adjoining rooms or handicapped accommodations
  - Credit card type, name on credit card, credit card number and expiration date.
- Remember to tell them you are with the Indiana Society of Radiologic Technologists (ISRT).
- A limited number of rooms have been reserved at the special rate of:
  - Standard room $109 per night plus taxes and fees
  - Suites $129 per night plus taxes and fees

Directions from Hampton Inn & Suites to Indiana University Kokomo 2300 South Washington Street, Kokomo IN 46902

From Hampton Inn & Suites drive, turn RIGHT on S.R. 931 heading North. Then, immediately turn LEFT on Lincoln Road at the stoplight. Continue West on Lincoln Road. Turn RIGHT at the stoplight onto Washington Street. Indiana University Kokomo Main Entrance will be on the RIGHT side of the road.
This year the ISRT Annual Conference will be held at IU Kokomo. Below is a campus map where you can park in lots and lectures will take place in the Library, item 10 on the Legend & Campus Map.
ANNUAL CONFERENCE SPECIAL EVENTS

The Annual Conference Committee and the ISRT Board of Directors are working together planning extra events and functions to add to the Conference. Please plan to join us for one or all of our new or updated events.

ANNUAL SCHOLARSHIP SILENT AUCTION

Thursday, October 13, 2016  -  Bidding Closes at 5:30 PM

The ISRT Board of Directors will once again be raising money for the ISRT Scholarship Fund by holding a Silent Auction at the 2016 Annual Conference. All proceeds from the auction will be added to the ISRT scholarship funds for students and technologists. Prize baskets and other items for the Silent Auction are donated by ISRT officers, ISRT members, area hospitals, and commercial representatives exhibiting at the conference. Support the ISRT Scholarship Silent Auction by placing a bid for a Silent Auction item!

ISRT PAST PRESIDENT RECEIPTION

Thursday, October 13, 2016  4:00-6:00 PM

The Annual Conference Committee and ISRT Board of Directors welcome all conference attendees to attend this special reception honoring the Presidents who have served the ISRT. This is a great opportunity to catch up with old friends, make new friends, and network with other imaging professionals. Light refreshments will be available, please plan to join us!

ANNUAL BUSINESS MEETING*

Thursday, October 13, 2016  Meeting begins at 10:45 AM BOTH DAYS

Friday, October 14, 2016

Due to the large number of items on the Agenda, there will be two business meetings this year. The ISRT Board of Directors encourages all members to attend the meetings on both Thursday, October 13 and Friday, October 14, 2016. The meeting will begin at 10:45 AM on both days. In addition to receiving the election report, competition awards will be presented, certificates of recognition will be handed out, Bylaw revisions will be reviewed and approved, and the new ISRT officers will be installed. This is a great opportunity to learn more about the ISRT and how you can get involved.
The Indiana Society of Radiologic Technologists invites all entry level Indiana Radiologic Science students to participate in the 2016 Radiography Quiz Bowl. Form a team, register for the competition, and start preparing to go head-to-head against other Indiana Radiography program teams. Thanks to the very generous support of the Indiana Radiological Society, the winning team will be awarded the Quiz Bowl Traveling Trophy. The trophy will remain with the winning team’s program for one year. In addition, the top three teams will receive monetary awards for their achievements.

LOCATION, DATE, and TIME:
IU Kokomo, KC130
2300 S. Washington St., Kokomo, IN 46902
Competition will held on Thursday, October 13, 2016 beginning at 6:30 pm

COST:
This is a FREE event for teams preregistered for the Annual Conference October 13-14, 2016
The event is $30/team for those not preregistered for the Annual Conference

HOW TO REGISTER:
Read the Official Rules and submit a completed team application to the Quiz Bowl coordinator before the deadline date. New in 2016: We will be utilizing an electronic form for submission. Visit http://goo.gl/forms/JcS7Mvw6JTy9z8kF3 Paper applications are still available on the ISRT website.

APPLICATION DEADLINE:
To be eligible to participate in the Radiography Quiz Bowl, paper applications must be postmarked no later than SEPTEMBER 22, 2016.

IF YOU STILL HAVE QUESTIONS:
Contact the Quiz Bowl Coordinator-

Heather Schmuck
5751 St. Charles Dr.
Mount Vernon, IN 47620

GAGE
CONTINUING EDUCATION
25 YEARS
24 hour order line 1-800-383-4445
All 2016 ISRT memberships will expire on January 31, 2017. Renewing your membership is easier than ever with online membership payment and processing at www.isort.org.

As of February of 2016 you are now be able to access and print off your own card online, through the ISRT website. This initiative has been in the works for a while in the hopes to better serve you while furthering the green initiative.

Not comfortable with paying online? You can print a copy of the membership application/renewal form from the ISRT website and submit with a check or money order via mail.

Electronic membership renewal reminders will be sent to ISRT members with a valid email address on file in December 2016. Memberships that have not been renewed by February 1, 2017 will become inactive. Please contact the Executive Secretary at imaging@isort.org if you have any questions regarding the status of your membership.
